Dear Parent / Guardian,

We're excited to host you at LPTC@Leixlip CoderDojo. During the Dojo we may take photographs of individuals and groups, audio and video clips ("images") to use in our promotional materials, social media pages, and on our website.

We do this so that we can celebrate the fantastic community of young people that are taking part in our Dojo and provide useful information to volunteers, children and the wider public about our mission and how they can get involved in it.

These images are *Personal Data* and we promise to use them only to promote and advertise the aims and work of the LPTC@Leixlip CoderDojo. You understand that you will not be paid for the use of images.

We will:

- Not store the images for use for longer than two years
- Store the images securely
- Never sell the images to third parties
- Never include a child's name with their photograph (without specific prior permission)

This consent can be withdrawn at any time by notifying us at contact@lptcdojo.com. Please note that for data made available on the internet, LPTC@Leixlip CoderDojo can cease to use your data but it may still be possible to find it on the internet which is beyond our control.
